TASTING NOTES

Deep garnet in color with bold aromas of game, wet slate, charcoal and boysenberry filling the nose and leading to a palate equally as rich. Mouth-filling flavors of baked plum and currant are accented by minerality and spice framed by rustic tannins, balancing acidity and a lingering fruit-driven finish.

Food Pairings: Charcuterie, Grilled Rack of Lamb with Thyme, Lavender-Rubbed Porchetta, Roast Duck with Berry Reduction, Beef Bourguignon, and Hearty Sausage & Lentil Stew.
