**2017 Bernau Estate
Méthode Champenoise Brut**

This inaugural vintage is crafted using méthode champenoise sourced from estate-grown Pinot Noir and Chardonnay. This blend combines the structure and vibrancy of Pinot Noir with the finesse and roundness of Chardonnay. The wine was aged on its lees for 23 months to develop added complexity before being disgorged.

2020 Pinot Gris

Pinot Gris was first introduced into the United States from France by David Lett, who planted Pinot Gris in the North Willamette Valley at The Eyrie Vineyards. Founder Jim Bernau got his first cuttings of Pinot Gris as a result of David's innovative work. Pinot Gris is now Oregon's leading white variety.

2018 Estate Chardonnay

Expressing the terroir of our three estate vineyards. The Willamette Valley's long, cool growing season is ideally suited for growing low yields of high-quality Chardonnay grapes.

2017 Bernau Block Pinot Noir

Sourced exclusively from 15 acres of Pinot Noir from the first plantings at the Estate Vineyard, Founder Jim Bernau planted these vines using a Christmas tree planter pulled behind his 33 horsepower tractor.

2016 Pambrun Cabernet Sauvignon

Pambrun's signature wine, sourced from the acclaimed Seven Hills Vineyard and neighboring Summit View Vineyard on the Oregon side of the Walla Walla Valley AVA.
