In connection with my investment in the Company, I represent and warrant as follows:

a. Prior to tendering payment for the Shares, I have reviewed to my satisfaction the following disclosure documents from the Company (the “**Disclosure Package**”):

1. The Company’s Registration Statement on Form S-3, SEC File No. 333-288108 and all related Prospectus Supplements;
2. Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2025;
3. Company’s Quarterly Report(s) on Form 10-Q for the period ending in the most current quarter of 2026; and
4. Each Current Report on Form 8-K issued since December 31, 2025.

b. I have reviewed the section of the Company’s Prospectus entitled “Risk Factors” and fully understand the degree of risk associated with a purchase of the Shares. I have sufficient economic resources to bear the economic risk of the complete loss of my investment in the Shares.

c. I acknowledge that the Disclosure Package is accurate only as of the date on the cover page of the documents identified above. I understand that I may withdraw my subscription for the Shares at any time prior to the date the subscription is accepted by the Company.

d. I have both knowledge and experience in financial and business matters, and have had the opportunity to consult my own legal, tax and financial advisors who are capable of evaluating the merits and risks of my purchase of the Shares. I have conducted such examination of the Company’s business, financial condition, results of operations and other relevant matters as I deem appropriate. I have reached an informed and knowledgeable decision to acquire the Shares, independent of any representations of any persons connected in any way with the Company. No party has made any representations to me as to the profitability, if any, of the Company, nor have I relied on any statements made by any persons concerning the value of the investment in the Shares or the risks associated therewith.

e. I acknowledge that (i) the Company may determine in the future that it is not appropriate to list the securities on an exchange, including without limitation if material doubt exists

whether the Company can meet the continued listing criteria; and (ii) even if so listed, the inclusion of the Shares in the Nasdaq Stock Market does not assure liquidity if I should wish to sell my Shares. I understand that for these and other reasons, the Shares may not be saleable for a price equal to or greater than the Purchase Price and that I must be prepared to withstand a complete loss of any amounts invested.

f. I acknowledge that the sale prices identified in the table above have been determined arbitrarily by the Company’s board of directors, and that both dividends and liquidation preference are determined on the lowest such price (\$4.15 per share) regardless of the price I paid for Shares.

g. I have no specific expectation of distributions or other remuneration based upon my position as a shareholder of the Company other than those benefits described under the heading “Description of Capital Stock – Preferred Stock – Series A Redeemable Preferred Stock – and in particular I specifically acknowledge that any benefits to be granted to me as a holder of Shares as discussed under “- Special Benefits for Holders of Series A Redeemable Preferred Stock” are at the complete discretion of the Company’s boards of directors, which may decide not to grant any such benefits, and consequently I have not invested in the Shares based on my expectation to receive any such benefits.

h. I acknowledge that the Company is under no obligation to accept my subscription for the Shares, and can reject my subscription for any reason. Further, I understand that when selecting subscriptions to accept, the Company intends to give preference to prospective subscribers who are either current members of the wine club, or intend to become members of the wine club, and who have indicated their intention to participate the Company’s other business programs.

i. No representation or warranty made by me in this Subscription Agreement contains or will contain any untrue statement of a material fact, or omits or will omit to state a material fact necessary to make the statements contained herein or therein not misleading.
